The Priest Stefan Trifonov (1831–1876)

(Summary)

The publication studies the life and work of priest Stefan Trifonov . one of the remarkable figures of First Turnovo revolutionary district, who has been neglected for long years by some researchers of the April rebellion because of his social origin and his religious order. On the basis of barely known facts the author builds a reliable and emotional picture of the historical events in the Turnovo district in the period before and during the April rebellion, directly connected with the fate of Stefan Trifonov.
