## **An Attempt at a Constitutional Reform in 1883**

(Summary)

The adoption of the Constitution Amendment Law of Decembe 5, 1883 is examined in the article as an attempt of the Government of Compromise, headed by Prime Minister Dragan Tsankov (made up of moderate liberals and conservatives), at a reform of the Constitution. The text of the Turnovo Constitution and the proposed amendments in it, passed by the Third Regular National Assembly, are analysed in a comparative plan.
