CULTURAL HERITAGE OF THE BESSARABIAN BULGARIANS

(Summary)

Cultural heritage of the Bulgarians in Moldova and Ukraine has not been a topic for a special systematic and comprehensive research so far (if we consider the entire historical period of their lives outside of Bulgaria). The article summarizes some information on the matter, contained in earlier works and in the documents, found till now. The author also presents his own observations and impressions on the subject since his student's years (40s – 50s of the 20th century).
