PROFESSOR MARIN DRINOV (1838-1906)

(Summary)

This is a selective bibliography of Professor Marin Drinov (1838–1906) encompassing only publications about him especially after 1987 and up to now. All collections and conference proceedings are described analytically or individually by articles for better use. Special thanks to Assoc. Prof. Elka Drosneva for her precious help in tracing rare and hardly available bibliographic sources.
