**MARIN DRINOV – THE HISTORIAN AND HIS CORRELATION TO
HISTORY**

(Summary)

The Article analyses the activity and the scientific contributions of prof. Marin Drinov – the first Bulgarian professional historian. It presents also his engagement in helping Bulgarians after the Spring Uprising of 1876 and then his services in the establishment of the new Bulgarian state. All his different contributions as a scientist and a political figure reserved for prof. M. Drinov an honourable place in modern Bulgarian history.
