**NATIONAL SCIENTIFIC EVENTS DEDICATED TO THE 180TH
ANNIVERSARY OF VASIL LEVSKI'S BIRTH**

(Summary)

In 2017 in Karlovo several scientific forums were held dedicated to the 180th anniversary of the birth of Vasil Levski. The participants in each of them have contributed to the ever fuller clarification of the life and ideas of Vasil Levski, his followers and adherents. Participants in the conferences and seminars were both scientists and lecturers from the country and abroad, as well as museum specialists, university students, and PhD students. The 80th anniversary of the museum of the Apostle in his hometown was marked by a first-ever review of documentaries about Vasil Levski.
