

Antoaneta Kirilova

**SOME NOTES ACCORDING THE CASHIERS' SYSTEM IN THE
BULGARIAN REVOLUTIONARY CENTRAL COMMITTEE IN
LOVECH**

(Summary)

The article by Antoaneta Kirilova "Some notes according the cashiers' system in the Bulgarian Revolutionary Central Committee in Lovech." observes two important issues - in which town is collected the money from the committees of the Bulgarian Revolutionary Organization and who fulfils the duties of a cashier of the Central Committee according to the programme files of the organization. The analysis of the source materials definitely shows that the money is collected in Lovech and according to some preserved documentary material it is concluded that the resources are reported personally on Levski, he was in charge of the financial documentation, he renders the accounts of the income and expenditure, indicating that he fulfils the duties of a cashier of BRCC in Lovech.
